Anishnawbe Health Toronto’s

Oshkii Okitchiidak Children & Families Program

What we do:
- Our program provides families with opportunities to have fun together, to learn new skills, and to build a supportive community through children’s counselling, cultural activities, and family programming.

Who we serve:
- Counselling for Aboriginal children ages 8-13
- Group programs for Aboriginal children ages 6-13 and their families

To register or for more information please call 416-920-2605 ext. 299
