

Anishnawbe Health Toronto **Community Health Worker Trainees (on-line)**

We are seeking Indigenous applicants for the Community Health Worker Training Program. This full-time, 12-month program is hosted by Anishnawbe Health Toronto, in partnership with George Brown College and Miziwe Biik Aboriginal Employment & Training. Students take a selection of courses for 3 terms which are 4-months each. The students also complete field placement hours throughout the year. To begin, the program will be **on-line courses** and eventually move to **in-person** classes during the year. Successful completion of this training program leads to a George Brown certificate and the qualifications to enter the second year of the two-year Community Worker Diploma Program.

Who should apply?
